

Updates to FCT's LOFTI tab for AB and NB

Changes are being introduced to the LOFTI tab in The Conveyancer® for Alberta and New Brunswick on Monday April 19, 2010. We encourage you to upgrade your software on April 19th.

These changes include the streamlining of our underwriting questions that will save you time by reducing necessary follow-up calls for additional information. In our continuing effort to prevent fraud, a new question will also be introduced. This question will request disclosure of the identity of the vendor's solicitor.

These measures will further enhance the protection you and your clients receive from First Canadian Title and make for a more efficient transaction.

If you have any questions related to upgrading your software, please contact Do Process Software Ltd. at 1.866.367.7648.

If you have any further questions please contact First Canadian Title at 1.866.804.3122.

Thank you for choosing First Canadian Title!
